This is just an accuracy check – not an option to rework it. Also attached the state letters they referenced just in case.

I've added a couple of edits – not sure yet about the comment regarding 40 CFR 162...thoughts?

The 24(c) memo has been converted into a "fact sheet". Does RD have any comments?

DELIBERATIVE – DO NOT RELEASE

Alex,

I hope your trip is going well.

Please find attached a draft fact sheet on more restrictive states pesticide registrations issued under FIFRA Section 24(c). Let me know what you think and if I need to coordinate with anyone else.

Sarah
